EVERY MOTHER COUNTS

CALIFORNIA DEPARTMENT OF PUBLIC HEALTH (CDPH) RECENTLY
RECOMMENDED THE USE OF A CLOTH FACE COVERING WHEN OUTSIDE
IN ADDITION TO HAND-WASHING AND PHYSICAL DISTANCING.

WE NEED YOUR HELP TO PREVENT COVID-19 IN OUR COMMUNITY!

Donations for face coverings such as masks or bandanas are needed. Salud Para La Gente will distribute masks to at risk Parajo and Salinas Valley residents to help reduce the spread of COVID-19 for everyone.

Social distancing can be a challenge when living with multiple families, carpooling to work in the fields, taking public transportation or walking to essential activities.

What is a cloth face covering? A material that covers the nose and mouth, secured to the head with ties or straps or simply wrapped around the lower face. Can be made of a variety of material, such as cotton, silk, or linen.
